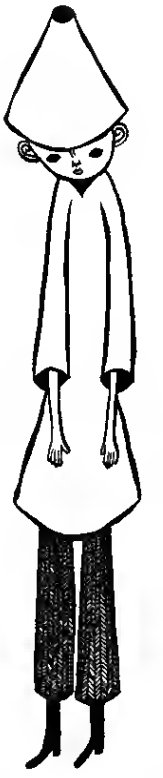
Somewhere Not Like That

Nishioka Kyodai

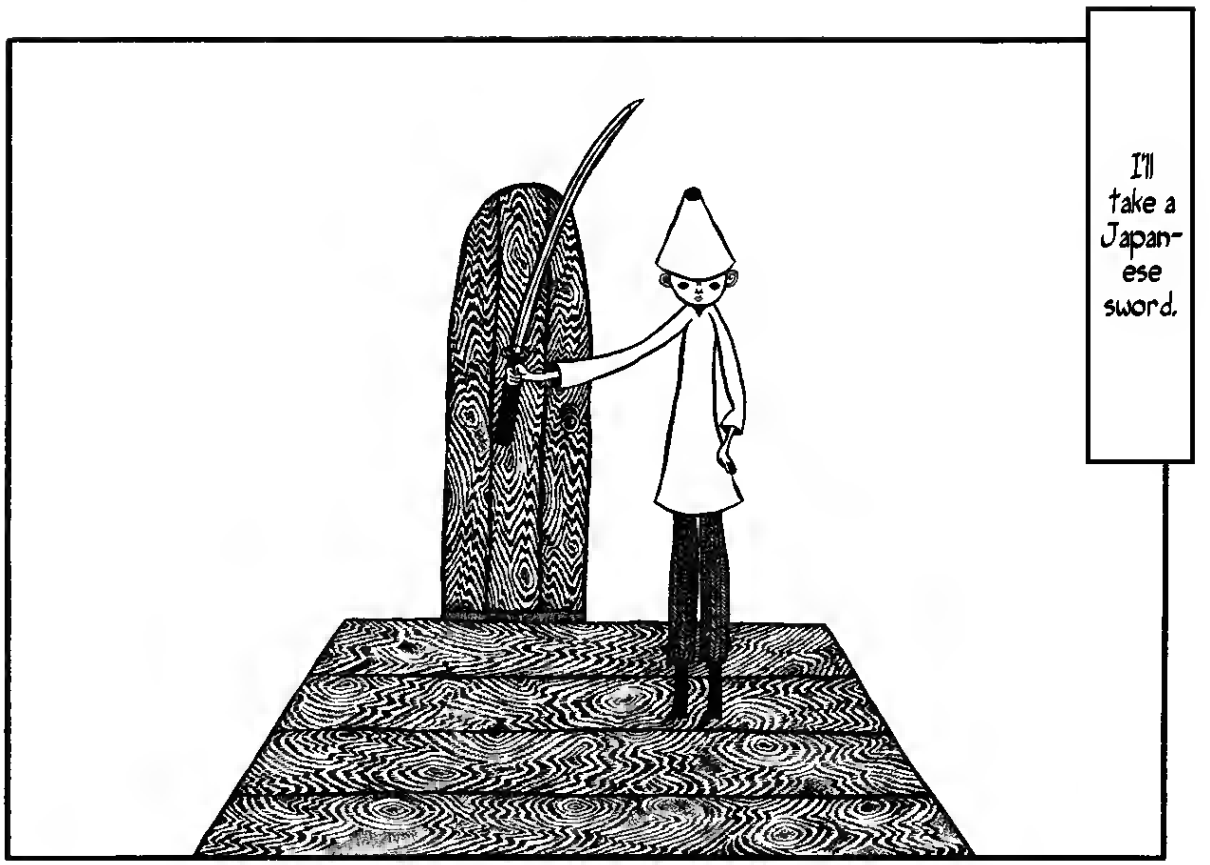
I'll go somewhere not like that.

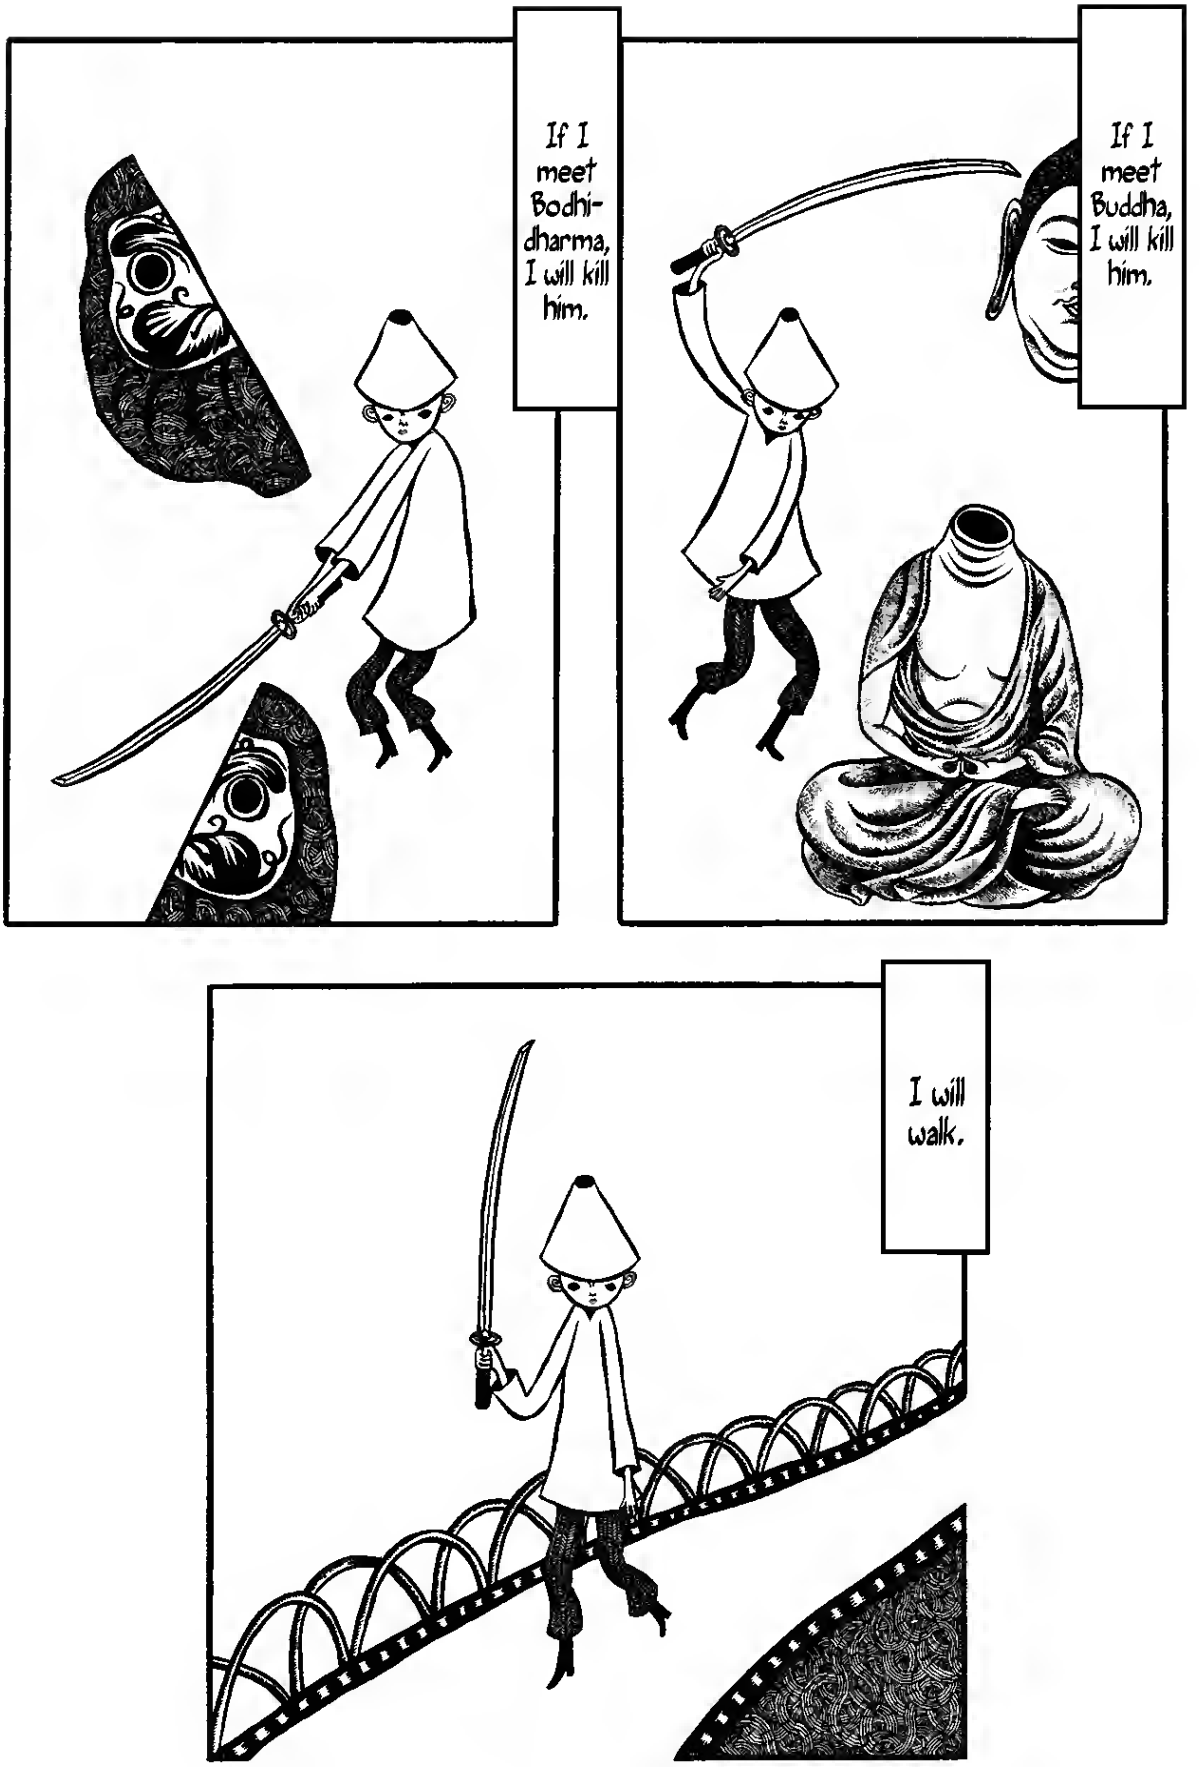


I'll go somewhere not not like that.

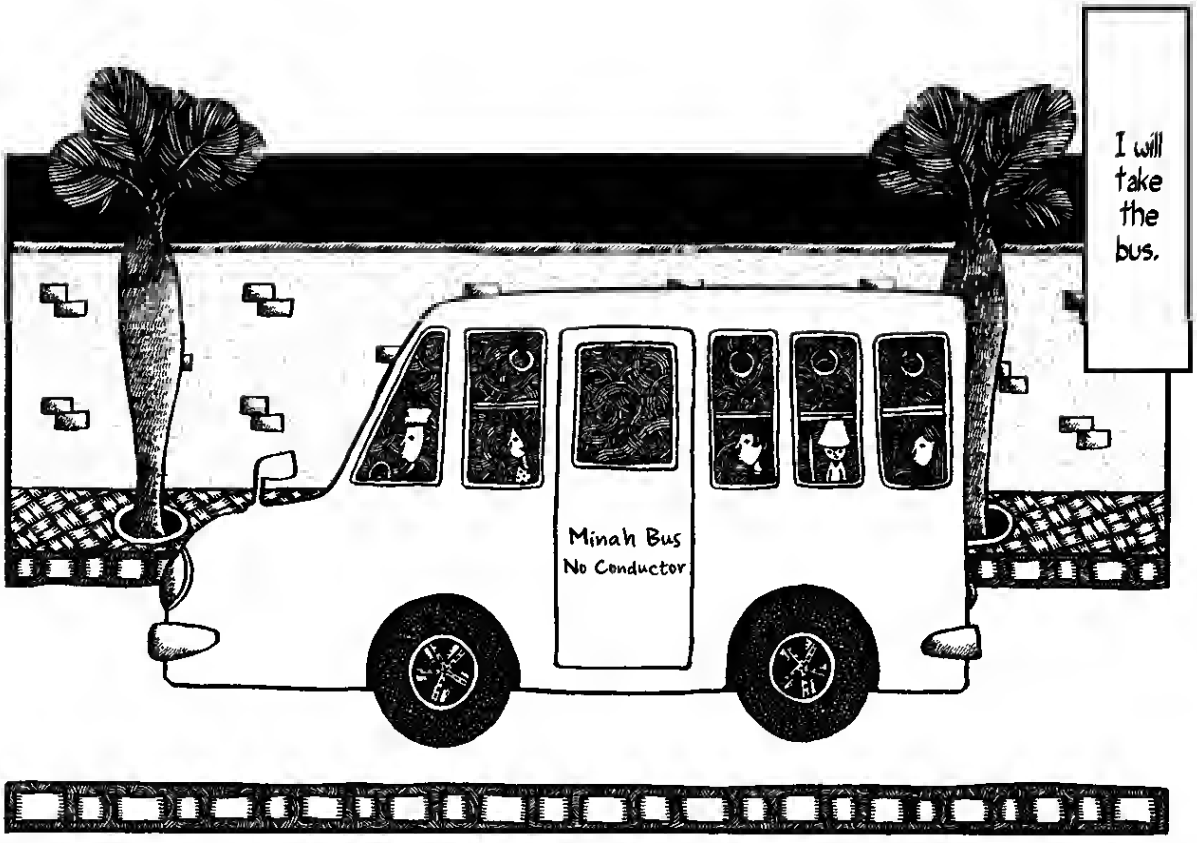
I'll go somewhere not here.

I'll go somewhere not not here.

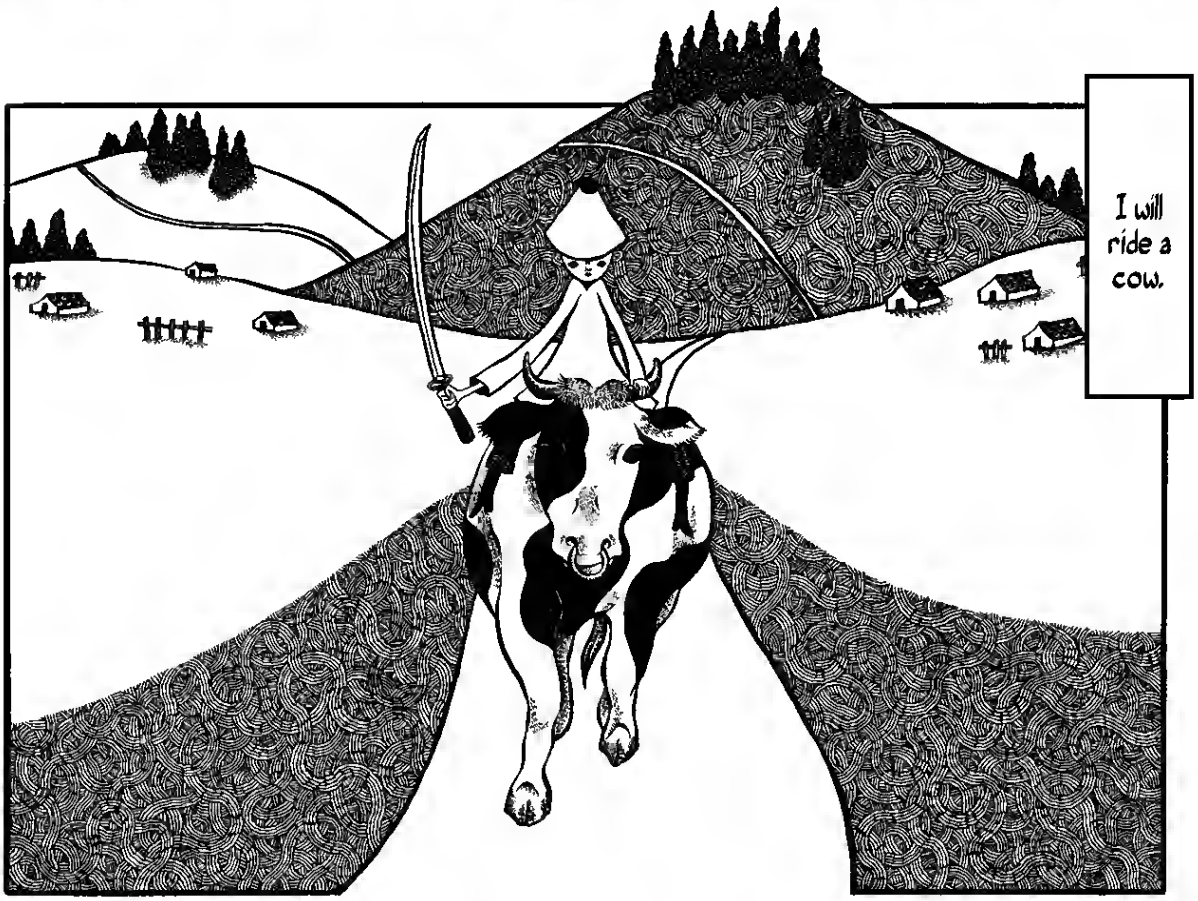




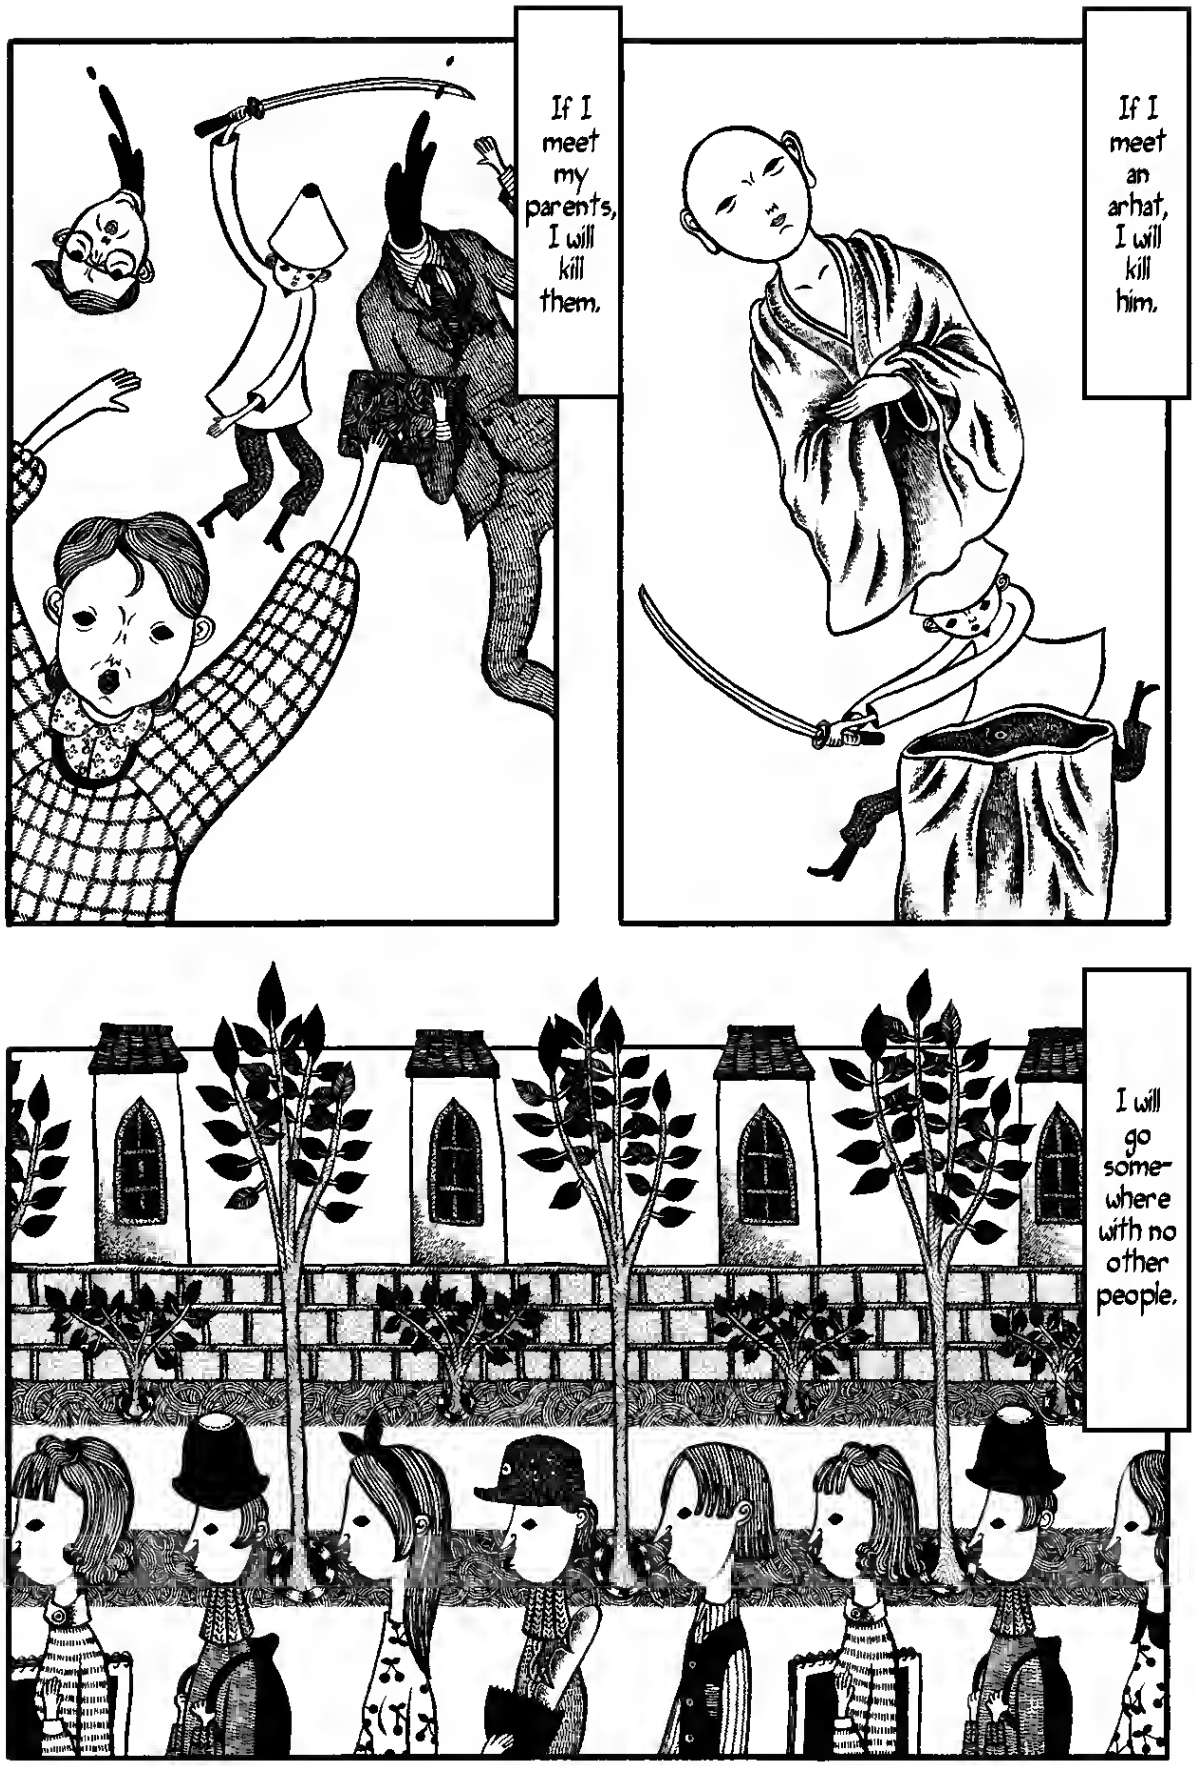
If I meet Bodhi-dharma, I will kill him.
If I meet Buddha, I will kill him.
I will walk.



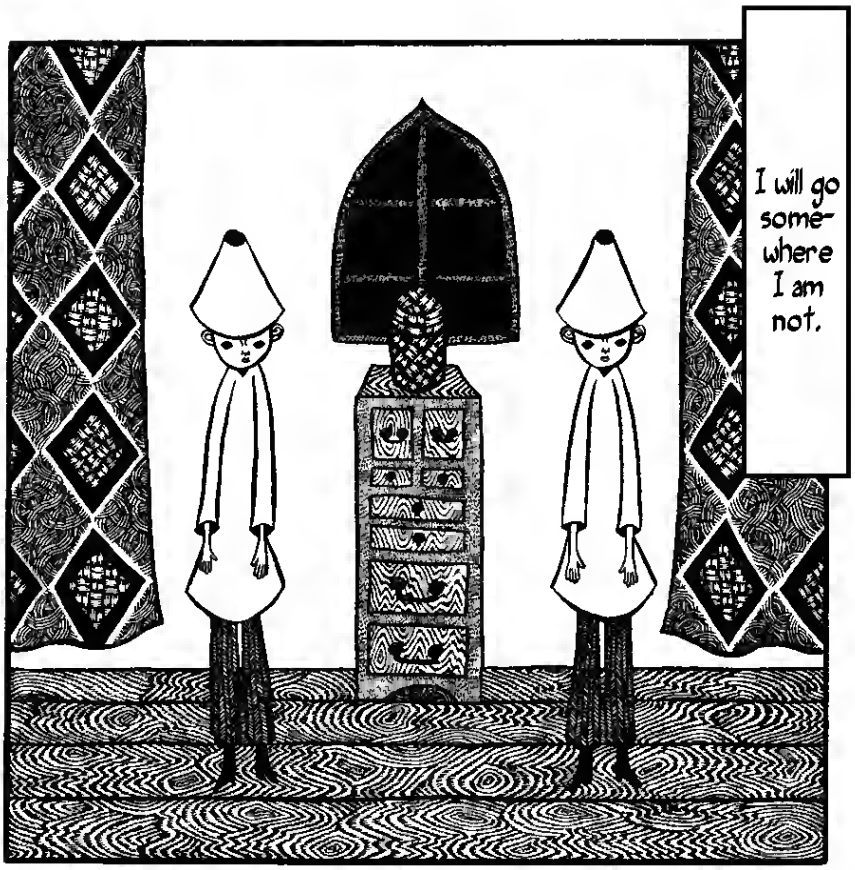
I will take the bus.
Minah Bus
No Conductor



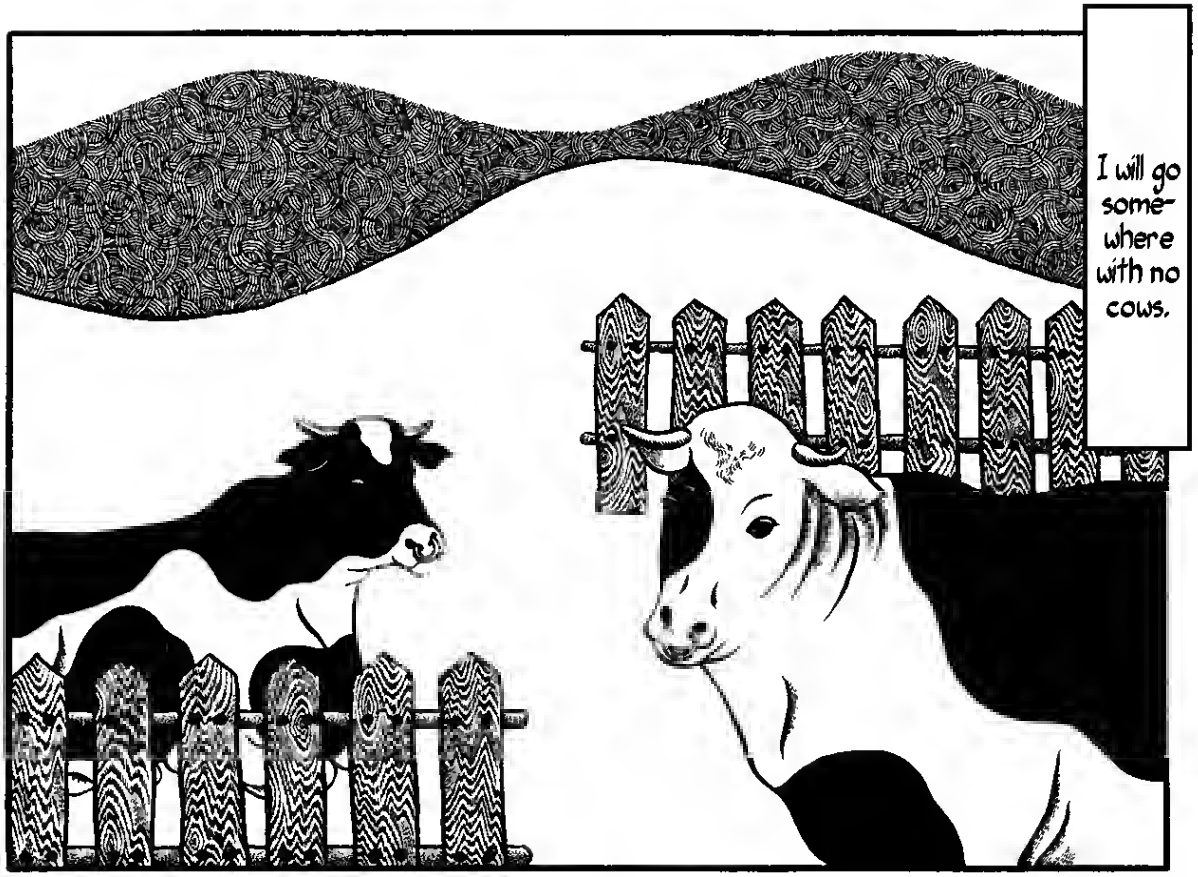
I will ride a cow.



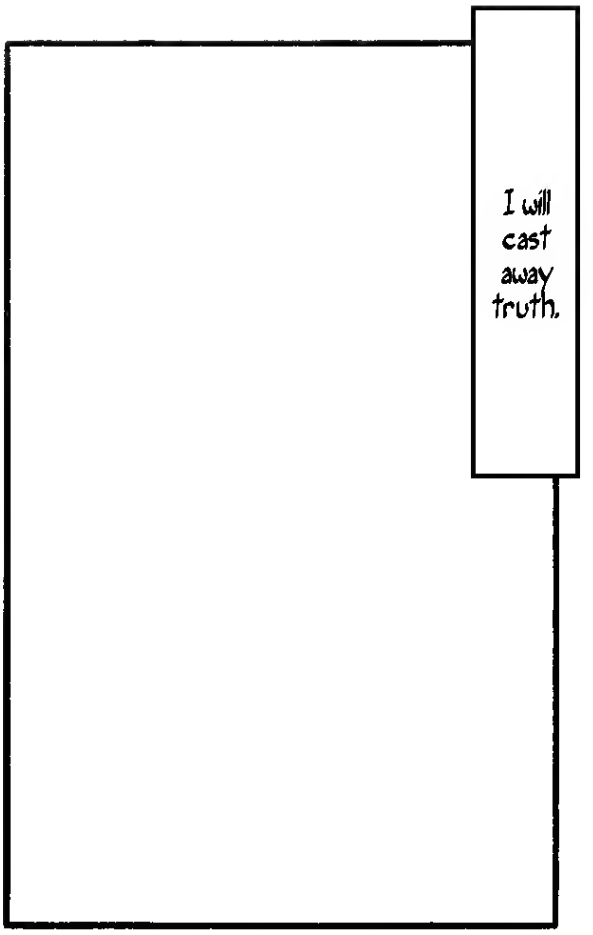
If I meet my parents, I will kill them.
If I meet an arhat, I will kill him.
I will go somewhere with no other people.



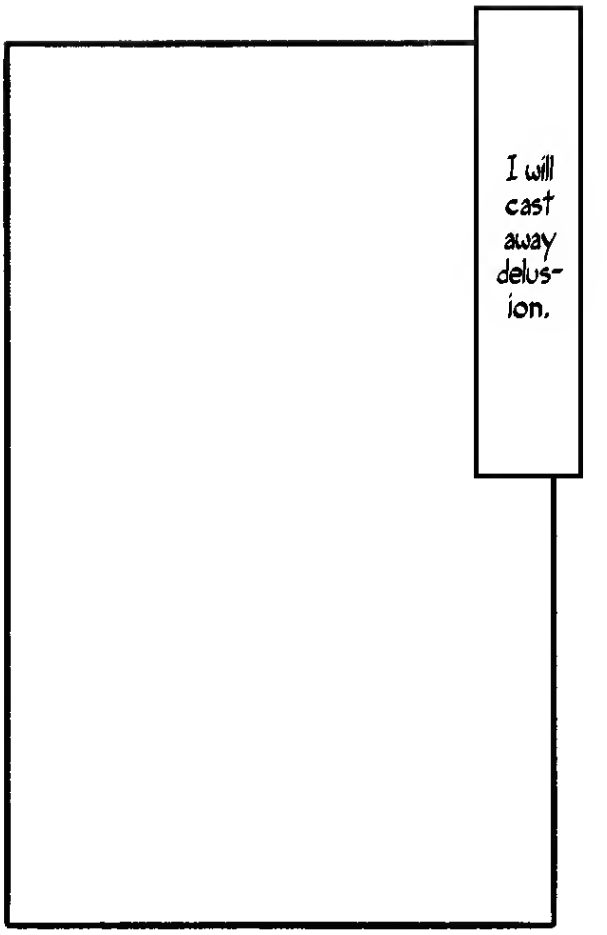
I will go some-
where
I am
not.



I will go
some-
where
with no
cows.



I will cast away truth.



I will cast away delus-ion.

I will find a silence that makes me pluck out my heart.

THE END
